Extract of the Memorandum presented to the Chief Minister by the persons and members of the M C Davangere on 6 11 55

3 Payment of annual contribution towards Occupation Institute:

The Municipal Council with its limited financial resources is quite unable to pay the heavy annual contribution of Rs 20,000/- and also to pay the arrears of contribution amounting to Rupees One Lakhs from the year 1951-52

We wish to submit that this contribution is not an obligatory duty of the Municipal Council All students studying in the Occupational Institute are not residents born in Davangere but comprise of students from various parts of the State We wish to bring to your kind notice that any of the Municipalities such as Hassan, Mysore, Chintamani etc , in the State are not paying such contribution Our finances are so bad that we cannot meet our day to day obligatory expenditure and on - account of existence of heavy outstanding arrears due to Government by way of annuity towards loan and Interest, Medical contribution etc , it is very difficult to pay the contribution as well as arrears

We request you kindly to waive the arrears of contribution and also cancel the payment of contribution in future

To waive the recovery of Rs 20,000/- being the annual contribution by the Municipal Council towards the Occupational Institute at the place

The Municipal Council has been urging that the payment of Rs 20,000/- out of the Municipal funds to the Institute annually may not be insisted upon and the amount due as arrears to the Institute may also be waived on the ground that the financial position of the municipal council is not sound and that it is not in a position even to pay the Government contribution regularly The question has been examined several times and it was found not possible to comply with the request of the municipal council Please see the opinion of the Director of Public Instruction in paras 46 to 51 on the notes of the Collection C I 34/54 Sl Nos. 3 & 4, placed below In the light of the opinion given by the Director of Public Instruction, a reply was sent to the Municipal Council in this office letter No 7452/CI 34-54-4 dated 26-9-54 to the effect that the municipal council should pay the arrears due by it from 1951-52, regularly, as the courses in the Institution started only on the initiative and moral assurance of the municipal council for regular contribution of the amount promised, and that it cannot go back on it promise after the courses are started and claim for any concession In these circumstances, the members of the municipal council may be appraised of this fact and told that they have to clear the arrears and continue the contribution annually without fail

But it is a fact that the municipal council became a City Municipality ~~recently~~, about 7 years back and it has to pay heavy loans to Government Its financial position will considerably improve, if Rs 20,000/- is waived and the amount due so far is treated as loan due to Government recoverable in 15 annual instalments

Subject - Waiving the recovery of annual contribution due by the Davanagere City Municipal Council to the Occupational Institute at Davanagere

-:-

When the Occupational Institute was started at Davanagere in the year 1949-50, there were only (i) One Diploma Course in Oils and Soap Technology and (ii) three Artisan Courses in (a) Electric Wireman, (b) Textiles (Spinning) and (c) Tailoring and Dress Making During the year 1950-51 at the special request made by the Municipal Council, which agreed to contribute a sum of Rs 20,000/- per year towards recurring charges as stipulated in Government Order No E 3056-71/J O I 7-48-13 dated 29th September 1949, two additional Diploma Courses in Electrical Technology and Civil Draftsmanship and Estimating were started in the Institute in accordance with Government Order No E 10184-90/J O I 4-50-20 dated the 27th December 1950 The Municipal Council also contributed a sum of Rs 20,000/- towards the recurring expenditure for the year 1950-51 as promised When the revision of the several Diploma and Certificate Courses was done by the Ad-hoc Committee constituted by Government in September 1949, with a view to make these two additional Diploma Courses (started in the Institute) correspond to the similar basic Diploma Courses existing in the other Occupational as well as Technical Institutes in the State, the designations of all similar Diploma Courses were changed from Civil Draftsmanship and Estimating and Electrical Technology to Civil Engineering (Draftsmanship and construction) and Electrical Engineering (General) respectively

(Contd.

these two
Courses were not, therefore, actually abolished as apprehended by the Municipal Council but in-fact, they were upgraded in view of this revision By upgrading these courses, more useful subjects have been introduced in the curriculam of studies and the residents of Davanagere got the entire benefit on account of this revision The Municipal Council cannot, therefore, find fault with the Government or the Institute for upgrading these two courses as in other Institutes, which resulted in the better type of courses being introduced

If the Municipal Council had not taken the responsibility of contributing the promised amount of Rs 20,000/- per annum towards the recurring expenditure as contemplated in Government Order dated 29-9-1949 Government would not have started these two additional courses which are upgraded now They were started only on the initiative and moral assurance of the Municipal Council for the regular contribution of the amount promised It was felt
~~Government feel~~ that the moral responsibility of the Municipal Council is even greater than its financial responsibility It cannot go back on its promise after the courses are started and claim for any concession (The above note is with reference to the remarks of the D P I in paras 4 & 5 of the note of collector

3) The Municipal Council were finally intimated in this office letter No L 7452/C M 34-54-4 dated 22-9-54, as follows -

"In these circumstances, I am to add that Government regret that they cannot accept the request of the Municipal Council to waive the recovery of the amount due to the Institute Municipal Council is due Rs 80,000/- including contribution of Rs 20,000/- for the year 1954 Necessary action may be taken to pay in

immediately the outstanding arrears of Rs 80,000/- The payment of contribution in future may also be made regularly, by making necessary provision therefor in the budget of the Municipal Council from the next year onwards >>

3) They have now again come in deputation before the Chief Minister to waive the arrears of contribution and also to cancel the payment of contribution in future Considering the bad financial position of the Municipality, it was suggested that the payment of contribution of Rs 20,000/- may be waived and the amount due so far be treated as loan by Government recoverable in 15 annual instalments

Para 4 of Rules

4) The Secretary, Education & L S G Departments, has noted as follows -

There is nothing that can be done to revise the view that Government have already taken Arrear contribution will have to be paid by the Municipal Council to the Education Department

Para 6 of Rules

5 The Minister for Public Health and L S G, has agreed to the above views Now it is submitted to the Chief Minister for kind orders

Para 7 of Rules
